# RECRUITS
# TAKE NOTICE !

**By orders from Head-Quarters I leave to-night for our Regiment. They are peremptory and admit of no delay. If by good fortune your comrades now in the field, before you join, should make the name of your company ever honorable, you will only be the more eager to join them. I regret that I cannot take you with me, but I have not the time to equip you.**

**Hold yourselves in readiness to go at a moments notice, close up your private business and make the best possible arrangements for your families. Be guarded against any floating rumors and believe nothing you may see unless my name shall be attached. You will be sent for very soon.**

**J. H. MOREHEAD,**

**March 3rd. 1862.** ***Capt. 2nd Inf. N. C. S. T.***
